	VETOED _____ President

Be it resolved by the Franciscan University Student Government (SG) that: \$467 be allocated to the Franciscan University Men’s Street Hockey Club for various items.

The following is a breakdown of costs:

Balls	\$20
Sticks (2-3)	\$160
Knee pads	\$55
Goalie chest pad	\$70
Club pinnies	\$150
Tape	\$12
Total	\$467

Recognizing that:

- We use a specific type of street hockey ball and over the semester we have broken/lost all but one.
- One of the sticks we use broke this past Friday.
- We need extra sticks so that potential new members can attend an event without having to buy their own stick before even trying it out. Attendance has been steadily increasing, so more sticks are needed.
- An extra stick is needed in case one breaks (in addition to the extra sticks needed for the new players).
- We are going to put on a draft tournament this Friday to celebrate the great sport of hockey and the accomplishments of the club. Upwards of 20 players are likely to attend.

- Club members have requested some type of jersey to help differentiate the players on each team from each other. One of the members has a contact that could make “Franciscan Street Hockey Club pinnies” for a reasonable price.
- Club members have requested additional protective gear for the goalies in the form of knee pads.
