Pass Fail

Tabled: _____

Un-tabled: _____

Be it resolved by the Franciscan University Student Government (SG) that:
\$52.63 be allocated to Young Americans for Freedom (YAF) for website renewal costs.

The following is a breakdown of costs:

Domain name (franciscanyaf.com)	\$13.75
Website hosting cost	\$38.88
Total	\$52.63

Recognizing that:

- The YAF website hosts the Steubenville Stimulus Project directory, a calendar of upcoming events, a collection of videos from past events, and information about the mission and activities of the club.

- The website is especially needed for a large, highly-active club like YAF because there is no dedicated space for club information on the Franciscan.edu website.
- The site has received over 1,700 hits since being redesigned in February 2017.
- The website furthers the mission of the club and benefits the student body by serving as a resource for all students, especially in the local business directory.
