Be it resolved by the Franciscan University Student Government (SG) that:
\$300 be allocated to Leo Munday for the development of FUSGs new and official website fusg.franciscan.edu as well as all photos professionally done.

The following is a breakdown of costs:

Website Development	\$150
Photos	\$150
Total	\$300

Recognizing that:

- Leo is a senior Communication Arts Major with a background in web development, photography, and videography.
- The development of the new website will be the official and final website of FUSG with a .edu domain.

- There will be no hosting or domain costs as the Marketing and Communications Department has allowed for us to use their servers free of charge.
- Leo will be reporting to Brian Sizemore, backend web developer for all the Marketing and Communications department. To ensure professional quality and in line with University web development guidelines.
- The website is set to go live next Tuesday October 3.
