<i>remove lines by right-clicking &gt; delete cells &gt; delete entire row</i>	\$
<b>Total</b>	<b>\$350</b>

***Recognizing that:***

- Outdoors club has held fundraising events already this semester and plans to fundraise more throughout the semester.
- The Outdoors Club has already negotiated a special fee of \$20 per person when the group rate usually runs \$30 per person.
- This is a reallocation of funds from trips that are no longer taking place, and will not cost FUSG any extra money.
- Students are being asked to contribute \$15 of their own money to attend this trip.
- This event will be taking place in the afternoon on October 29th at Adventure Creek in St. Clairsville, Ohio.
- This activity is expected to reach 35 students and will be advertised through social media and posters around campus.
- The Outdoors Club reaches 300-400 students each semester and is one of the most active clubs on campus.
- This is a good opportunity for students to experience new outdoor activities that they would otherwise be unable to afford or have access to.
