Be it resolved by the Franciscan University Student Government (SG) that:
allocate \$11,650 for the purchase of the TreadWall M6 Pro.

The following is a breakdown of costs:

M6 Pro	\$10,500
Shipping	\$650
Installation	\$500
Total	\$11,650

Recognizing that:

- This is an item that has seen immense anticipation and positive feedback amongst the student body.
- It has been personally approved by Alexis Basil the Assistant Athletic Director.
- The TreadWall M6 Pro is a 6 by 9-foot rotating climbing surface that can be angled and used by the entire student body, staff, and visitors.

- This would add a unique experience to Franciscan and its rapidly growing communal interest in rock climbing.
- By purchasing installation, we mitigate any risk of improper installation.
- This is a long lasting continued contribution to the university that will benefit students for years to come.
