Be it resolved by the Franciscan University Student Government (SG) that:
The International Coffee Club be recognized by Student Government

Recognizing that:

- This club has already been approved by Student Life, and the Constitution is attached
- The purpose of the *Franciscan University International Coffee Club* is to promote a culture of leisure using coffee as their vehicle towards fostering community.
- *Coffee Club* will also help shed light on the beauty and complexity of coffee itself, developing an appreciative love, not just by merely drinking coffee as a source of caffeine.
- They hope to spread this love of coffee, by taking care to maintain proper roasting and brewing methods of many different kinds of coffee.
